the Strikers.

resident Everett Said the Company Had Nearly Ali the New Men Wanted-Strike Leavers Claimed Satisfaction at Condition of the Boycatt.

ULEVELAND, Aug. 1 .- Whether the beycott upon the Big Consolidated Street Railway company is having any effect or not, the company shows no indication of a desire to change its policy with respect to the strike. A special meeting of the directors of the company was held. At its conclusion sident Figury A. Everett was asked if the strike had been discussed. "Inentally it was," was the reply. "Is it the intention of the company o move for a settlement of the strike?

'No," said President Everett. "We are going shead as we have been doing. among us as friends, not to interfere less held for ransom, make restitution and we now have nearly all we want. Some of the new men are being discharged when found to be not the men we want and others put in their places. We are satisfied with the situation. And might see in reference to the state. ment that there is a division in the United States is to pay tribute each proceeded to humble the other Barbeen a unit from the beginning and it been a unit from the beginning and it been a unit from the beginning and it beginning a s now mantanous in favor of the policy On the other hand, the leaders of the strikers profess to be very much encour-

'home industry" in the same line.

for being a polygamist, to which offense be pleaded guilty several The fact that the anti-polygamy law is violated will not create surprise. It has been known for some time that leading Mormons were violating the law as well as the pledge given when Utah asked for almission to the Union. It was known that Roberts was put forward by the Mormons as their candidate in the Congressional election of last

fall, and that he was supported by the members of the church because e was a polygamist. "But the plea of guilty entered by President Cannon and the imposition of the fine in his case makes clear the attitude of the church with respect to polygamy, and emphasizes the necessity of radical if not arbitrary action by Congress when he comes to apply for a sent. Even if e cannot be denied his seat in the irst place, it may be possible to expel im afterward.

"Such brazen impudence on the part of the Mormons as has been disdayed by President Cannon should e rebuked, and the more emphaticilly it is done the better.

Likewise the other administration lournals and its holier-than-thou supporters generally are holding up heir several hands in horror at the spectacle that two American citizens, each having a small plurality of wives,-not more than three or four apiece at the outside, are elected members of Congress, and their prompt expulsion is demanded. At he same time, this same administration is not only not "expelling" the sentative of the sovereignty of the yearly stipend for exercising a sovalthough he is a polygamist, and who, presumably, (that is if he lives up to his privileges.) has a much larger plurality of consorts, and although The time has been when the Amer- beg to an American, who thinks upon he rules over tribes having like ican government dealt very differ- our past, I come to make good my privileges in this respect, but, on the contrary, pays him tribute to rule in the stead of our government as its viceroy in his islands, with a promise that he shall be "immune" against interference on account of the very practices for which Cannon and

Roberts are so unsparingly con-

demned. Here then is a clear case of discrimination against the home market and in favor of those miserable foreigners, against whom Mr. McKinley has used so much breath in talking. It is utterly subversive of the much so that if the policy had been set on foot by any ruler less infallible than ours the patriotism of his motives might justly be suspected. In any event, it stands the President in Iron
